Dear Mr. Caton:

On Sunday, February 10, 2002 FCC Commissioner Michael Copps and his Senior Legal Advisor Jordan Goldstein had dinner with several National Telecommunications Association (NTCA) members and staff. The following were present: Marie Guillory, Vice President of Legal and Industry, NTCA; Scott Reiter, Senior Telecommunications Specialist, NTCA; Delbert Wilson, CEO & General Manager, Central Texas Telephone Cooperative; Art Isley, General Manager, 3 Rivers Telephone Cooperative, Walt Roland, Manager, Adams Telephone Cooperative; Mary Mongold, Assistant Manager, Hardy Telecommunications; and George Mack, President & General Manager, Caron Communications Corporation.

The group discussed generally separations and broadband. NTCA members talked about how the issues affect them and their efforts to provide quality service. The discussions were consistent with previous NTCA filings.
